C687161

Initial certification date:
05 September, 2024

Valid:
05 September, 2024 – 05 September, 2027

This is to certify that the management system of

Denver Health and Hospital Authority

777 Bannock St, Mail Code 0188, Denver, CO, 80204-4507, USA

has been found to comply with the requirements of the:

Advanced Shoulder Surgery Certification (AShSC)

The DNV Advanced Shoulder Surgery Certification is designed to recognize excellence related to shoulder arthroplasty inclusive of inpatient, outpatient, and same-day elective joint replacement and revision surgical procedures. The focus of the certification encompasses the orthopedic consultation, preoperative, intraoperative, and postoperative patient care, through discharge. This advanced certification recognizes that an organization has demonstrated compliance with DNV Advanced Shoulder Surgery Certification Requirements.

The DNV Advanced Shoulder Surgery Certification Requirements are informed by the ERAS® Society Orthopaedic guidelines, the guidelines of the American Academy of Orthopaedic Surgeons, and relevant requirements of the CMS Conditions of Participation for Hospitals.
